## INDEPENDENT AUDITORS' REPORT

To the Board of Directors of  
Assistance League of Kansas City  
Gladstone, Missouri

We have audited the accompanying financial statements of the Assistance League of Kansas City (a nonprofit organization), which comprise the statement of financial position as of May 31, 2016, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

### **Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America. This includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### **Auditor's Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Assistance League of Kansas City as of May 31, 2016, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

#### NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

## ASSISTANCE LEAGUE OF KANSAS CITY

### NOTES TO FINANCIAL STATEMENTS

For the Year Ended May 31, 2016

#### NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

##### B. Basis of Presentation

The financial statements are presented in accordance with the provisions of the Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 958, Not-for-Profit Entities. Under ASC 958, the Chapter is required to report information regarding its financial position and activities in three classes of net assets:

###### *Unrestricted*

- Unrestricted net assets are net assets not subject to donor-imposed restrictions or law. These net assets include Board-designated funds that are not restricted by the donor.

###### *Temporarily Restricted*

- Temporarily restricted net assets are net assets subject to donor-imposed restrictions that can be fulfilled by actions of the Chapter pursuant to those restrictions or that expire by the passage of time. Temporarily restricted resources whose restrictions are met in the same reporting periods are recorded as unrestricted.

###### *Permanently Restricted*

- Permanently restricted net assets are net assets subject to donor-imposed restrictions that the gift cannot be wholly expended on a current basis. Investment returns generated from these funds are available for general support of the Chapter's programs and operations unless otherwise stipulated by the donor. As of May 31, 2016, the Organization did not have permanently restricted net assets.

##### C. Comparative Financial Information

The financial statements include certain prior-year summarized comparative information in total but not by net asset class. In addition, the statement of functional expenses includes summarized information in total but not by function. Such information does not include sufficient detail to constitute a presentation in conformity with U.S. GAAP. Accordingly, such information should be read in conjunction with the Chapter's financial statements for the year ended May 31, 2015, from which the summarized information was derived.

##### D. Cash and Cash Equivalents

For purposes of the statement of cash flows, cash consists of cash on hand, cash held as deposits with local financial institutions in checking and money market accounts, certificates of deposit and all highly liquid investments with original maturities of three months or less.

# ASSISTANCE LEAGUE OF KANSAS CITY

## NOTES TO FINANCIAL STATEMENTS

For the Year Ended May 31, 2016

### NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

#### E. Promises to Give

Unconditional promises to give are recognized as contributions in the period received and as assets, decreases of liabilities, or expenses depending on the form of the benefit received. Promises to give are recorded at net realizable value if they are expected to be collected within one year and at net present value if they are expected to be collected in more than one year. The discounts on these amounts are computed using a risk-free interest rate applicable to the year in which the contribution is made. Amortization of the discount is included in contribution revenue. Conditional promises to give are recognized when the conditions on which they depend are substantially met.

#### F. Inventories

The Chapter maintains an inventory of new clothing and vouchers for use in its Operation School Bell program which is stated at the lower of cost or market determined by the first-in, first-out method. The Chapter also maintains an inventory of used clothing and household items donated by Chapter members and others for resale by THE ReSALE SHOP operated by the Chapter, which is stated at its estimated fair value as determined by average sale prices. All other inventory balances are stated at the lower of cost or market on a first-in, first-out basis.

#### G. Concentrations of Credit and Market Risk

Financial instruments that potentially expose the Chapter to concentrations of credit and market risk consist primarily of cash and cash equivalents. Cash and cash equivalents are maintained at high-quality financial institutions and accounts at each institution are insured by the Federal Deposit Insurance Corporation up to \$250,000. At May 31, 2016, the Chapter's uninsured balances at these institutions total \$80,959. The Chapter has not experienced any losses on its cash or cash equivalents.

#### H. Capital Assets

Capital assets are stated at cost if purchased or at the fair value at the date of donation in the case of donated assets. The Chapter provides for depreciation and amortization of property and equipment by use of the straight-line method over the estimated useful lives as follows:

Buildings and improvements	10 to 40 years
Land improvements	10 to 15 years
Furniture and equipment	5 to 10 years
Technology related	4 to 7 years

Contributions of long-lived assets, or of cash or other assets that must be used to acquire long-lived assets, are reported as increases in temporarily restricted net assets. Restrictions are considered met, and an appropriate amount reclassified to unrestricted net assets, over the useful life of the long-lived assets as determined by the Chapter's depreciation policy.

## ASSISTANCE LEAGUE OF KANSAS CITY

### NOTES TO FINANCIAL STATEMENTS

For the Year Ended May 31, 2016

#### NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

##### I. Deferred Dues Revenue

Membership dues and program service fees collected prior to the fiscal year to which they apply are deferred and recognized over the periods to which the dues and fees relate.

##### J. Contributions

All contributions are considered to be available for unrestricted use unless specifically restricted by the donor. Contributions received that are designated for future periods or restricted by the donor for specific purposes are reported as temporarily restricted or permanently restricted support that increases those net asset classes. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the Statement of Activities as net assets released from restrictions.

##### K. Donated Materials and Services

Significant materials and services are donated to the Chapter by various individuals, corporations and other organizations, and are reflected in the accompanying financial statements at their fair values at the date of donation. Items are donated to THE ReSALE SHOP by chapter members and supporters and totaled \$591,099 in the fiscal year ended May 31, 2016. The Chapter recognizes donated services for specialized skills that would typically need to be purchased if not acquired by donation provided that the services are performed by individuals possessing those skills.

In addition, all of the Chapter's functions and programs are conducted by unpaid volunteers. The value of this contributed time is not reflected in the accompanying financial statements since the services do not require specialized skills. During the year ended May 31, 2016, these volunteers donated 54,254 hours with an estimated value of \$1,274,969. This value was computed using an estimated hourly rate of \$23.50, based upon the average hourly earnings of "production and nonsupervisory employees on private nonfarm payrolls, seasonally adjusted", as determined by the U.S. Department of Labor's Bureau of Labor Statistics, plus 12% for estimated fringe benefits.

##### L. Tax Status

The Chapter is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code. In addition, the Chapter qualifies for the charitable contribution deduction under Section 170(b)(1)(A) and has been classified as an organization that is not a private foundation under Section 509(a)(2). The Chapter is also exempt from state income taxes under the Revenue and Taxation Code of the State of Missouri.

The Chapter has applied the provisions of the FASB's ASC 740 10, Accounting for Uncertainty in Income Taxes. Under ASC 740 10, nonpublic enterprises, including nonprofit organizations, are required to record a tax liability when substantial uncertainties exist as to whether certain income is exempt from federal, state and local income tax. As of May 31, 2016, the Chapter had no substantial uncertain income tax positions. Federal form 990 has been filed in a timely manner.
